

The Prodigal God | Week 6

We've all wandered from God. While we were still in our sin, Jesus left home to find us, giving up His inheritance so we could be made rich. In Him we see the prodigal God: recklessly generous in His love.

Conversation Starters (10 minutes)

- Jesus gave up everything to bring us home. When did someone give to you in a way that caught you off guard?
- This weekend we took Communion together. How does remembering Jesus' sacrifice help you picture the father running to his son?

Sermon Notes Review (15 minutes)

What caught your attention, stood out to you, or challenged you from this weekend's teaching?

Watch the Video (10 minutes)

- Prepare to watch the video by opening your Bible to [Luke 15](#).

Group Discussion (45 minutes)

Starter Question from the Video:

1. What is your story of when God found you?

Scripture Observation and Interpretation:

2. Read [Luke 15:28](#). The story ends with the older brother outside, angry. If he had truly shared his father's heart, what would he have done when his brother left?
3. Read [2 Corinthians 8:9](#). Jesus is the true "older brother" who gave up His inheritance to come find us. What does it mean for us to be "made rich" through Him?

Personal Application:

We know what we believe, and if we really believe it, it changes the way we live. The father didn't wait for his son to clean up; he ran.

4. Looking back over this whole series, what is your biggest takeaway about who God is or what you believe?
5. As a result of what you have learned and discussed throughout this series, what is one step you believe God is prompting you to take next?

Prayer (5 minutes)

Close your time in prayer. You can use your own words or these words:

Father, thank You for running to us while we were still far off. Jesus, thank You for leaving home to find us and giving Your life to bring us back. Give us Your heart for those still far away, and courage to take the step You're prompting. Amen.
